My BOSS is a real Asshole

I HATE My BOSS

All day LONG He cooks SHRIMP

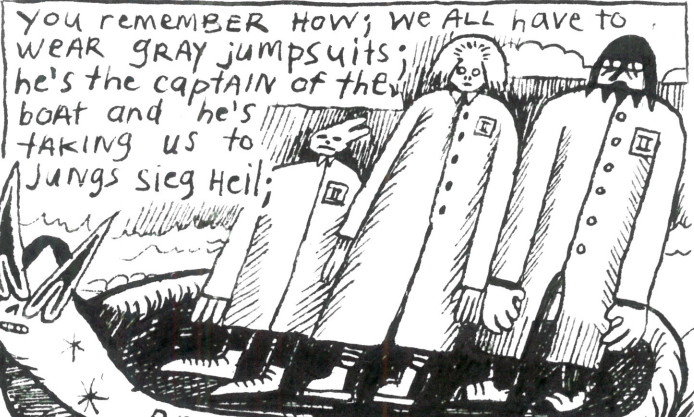

He thinks he's LONG John Silver

YO my GUYS! what the FUCK is this GOD FORSAKEN DOG SHIT

tighten up those GAPing Holes

He's got a silver tooth and he WEARS a silver jump suit, and He dresses like he lives in **THE CITY**

You remember HOW; WE ALL have to WEAR GRAY jumpsuits; he's the captain of the boat and he's TAKING us to

Jungs sieg Heil;

Presents a good time
DONT WORRY its chill

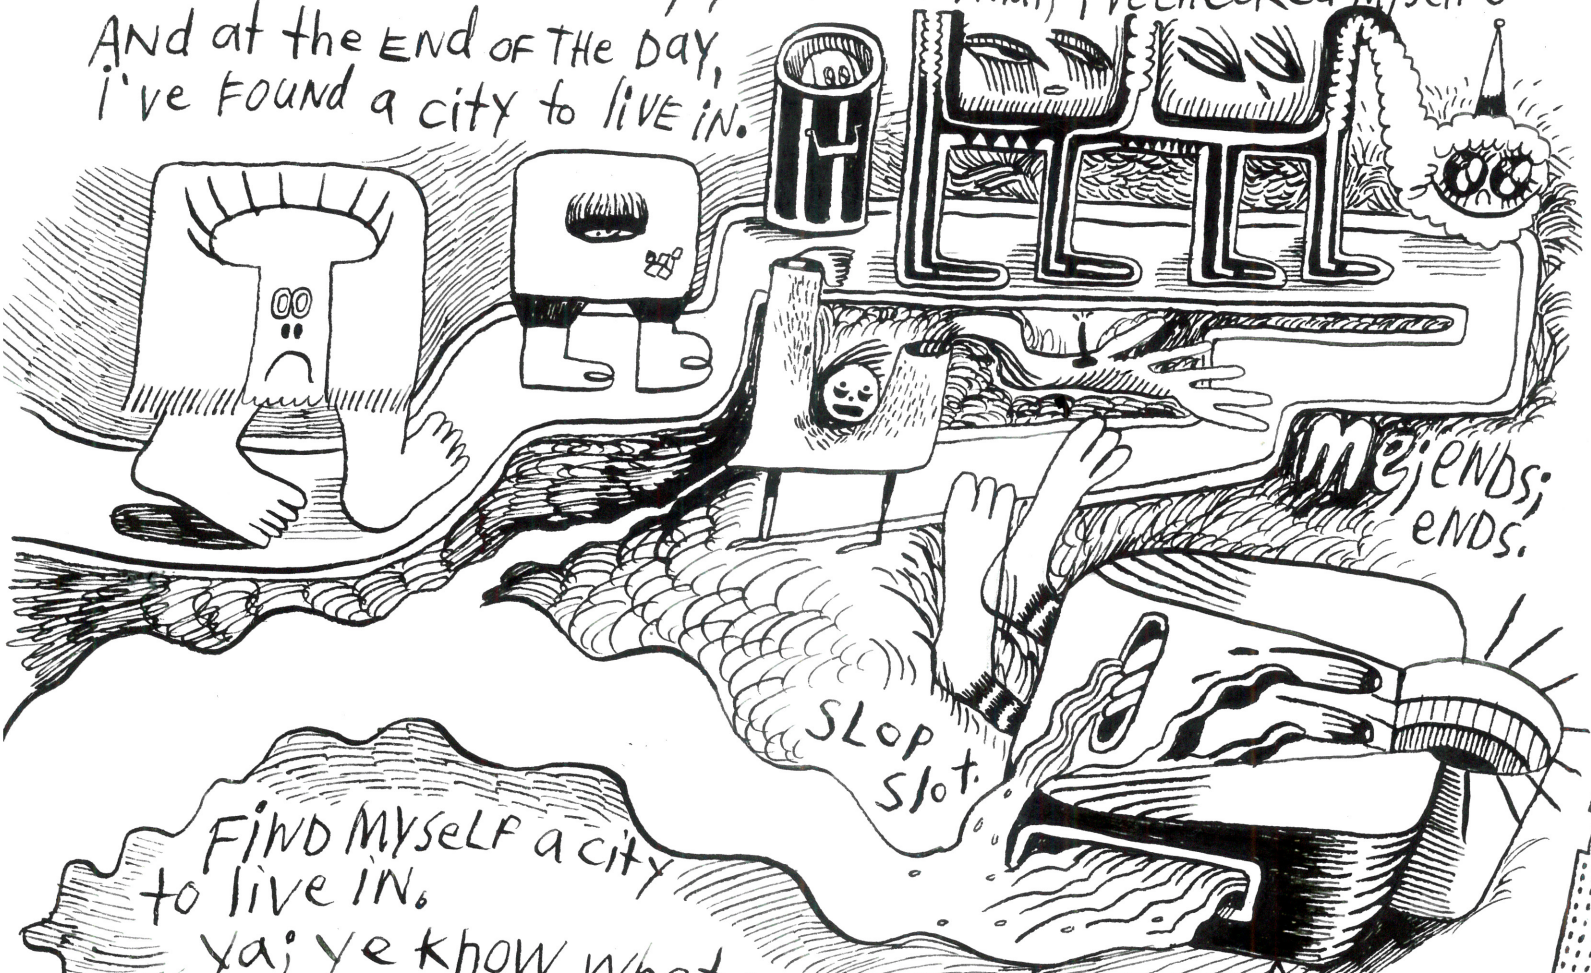

cause he's my boss; you know.

But, I;

And at the end of the day,
I've found a city to live in.

Mejends;

Slop

FIND MYSELF a city
to live in.
Yai; ye know what
I'm talking about.

Heh. Heh.
Ha.

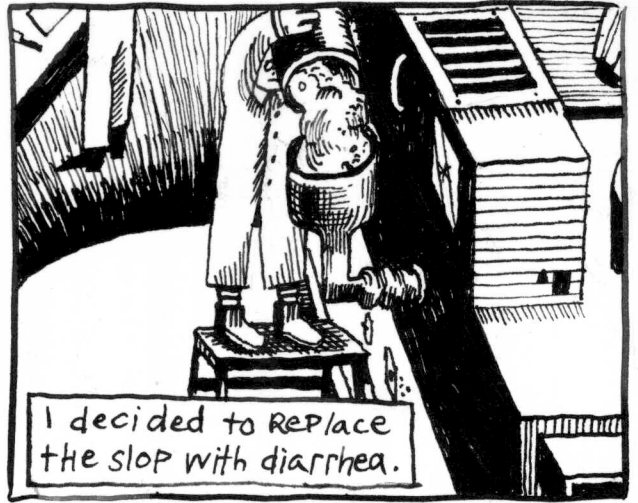

FIND a city. FIND myself a city to live in.

So anyways that night i had a dream that i was rumpelstiltskin of diarrhea

SOME TIME LATER

I decided to replace the slop with diarrhea.

Some would call this an evil plan, because women and children ate at Stalin's.

But I called it god's good plan for the best time.

and it's like I didn't want to explain this to my friends because they'd say

shloop, this is the fuckin' SHLOP WE'RE TALKIN' 'BOUT.

Quite frankly, I didn't give a damn,

and quite frankly, I wanted to feed women and children my diarrhea, because you know, I was working in the SLOP factory All the fucking time

and it was a bunch of indigestible bullshit to feed PEONS OVER-PRICED EX-PEN-SIVE SHLOOPY SHLOP.

these people are FUCKING SHIT,

AND ARE YOU WHAT YOU EAT.

that's what I say

The night before I conducted my special plan for the world, I awoke drenched in sweat,

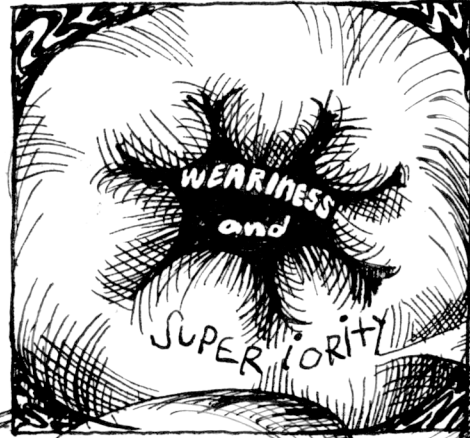

and my muscles remained tense that morning

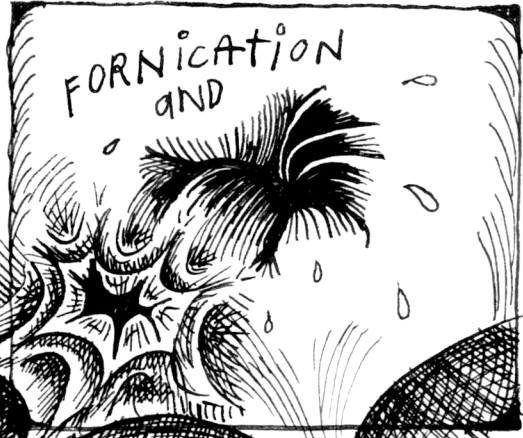

MAYBE EVERYONE'S MUSCLES ARE THE TENSEST IN THE MORNINGS BECAUSE MAYBE THAT'S THE TRUE HOUR OF FORNICATION

I'M NOT SURE, both GREAT THINGS AND RESENTMENT GROW FROM TENSION

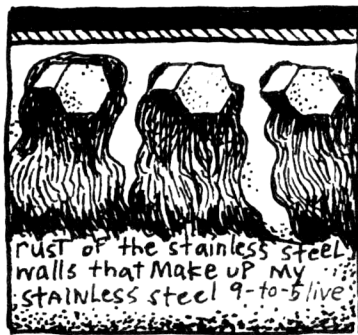

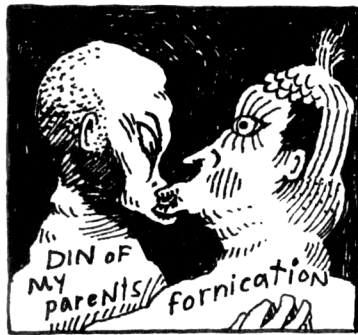

WEARINESS and SUPERIORITY

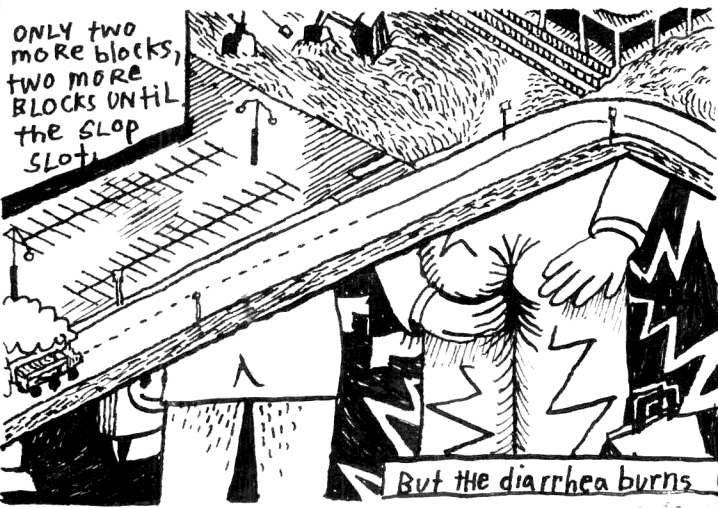

FORNICATION AND

BEST LIFE OF NEW LIFE

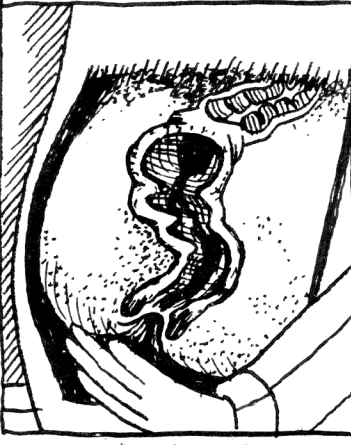

ONLY TWO MORE BLOCKS,
TWO MORE
BLOCKS UNTIL
THE SLOP
SLOT.

But the diarrhea burns

No, it's not time

They must read the
Diary of Diarrhea Jones

They must.

it burns

I CAN
sense it
in my pores

I CAN TASTE IT

Ha Ha! (15)

I get a Notification ON MY HEADS-UP DISPLAY

BING!

YOU HAVE HAD 1 DIARRHEAS TODAY. ONLY 5 DIARRHEAS LEFT BEFORE ARREST.

GOD, I'M SO FUCKING GLAD THAT THE FECS MINDER GENERAL IS MINDING OUR BOWELS THESE DAYS.

KEEP YOUR SHIT TOGETHER

I AM IN A WORLD OF SHIT

THIS ALL REMINDS ME OF THAT SCENE IN APOCALYPSE NOW WHERE THE DUDE IS LOADING BULLETS

I AM IN A WORLD OF SHIT

OR WAIT... WAS THAT FULL METAL JACKET?

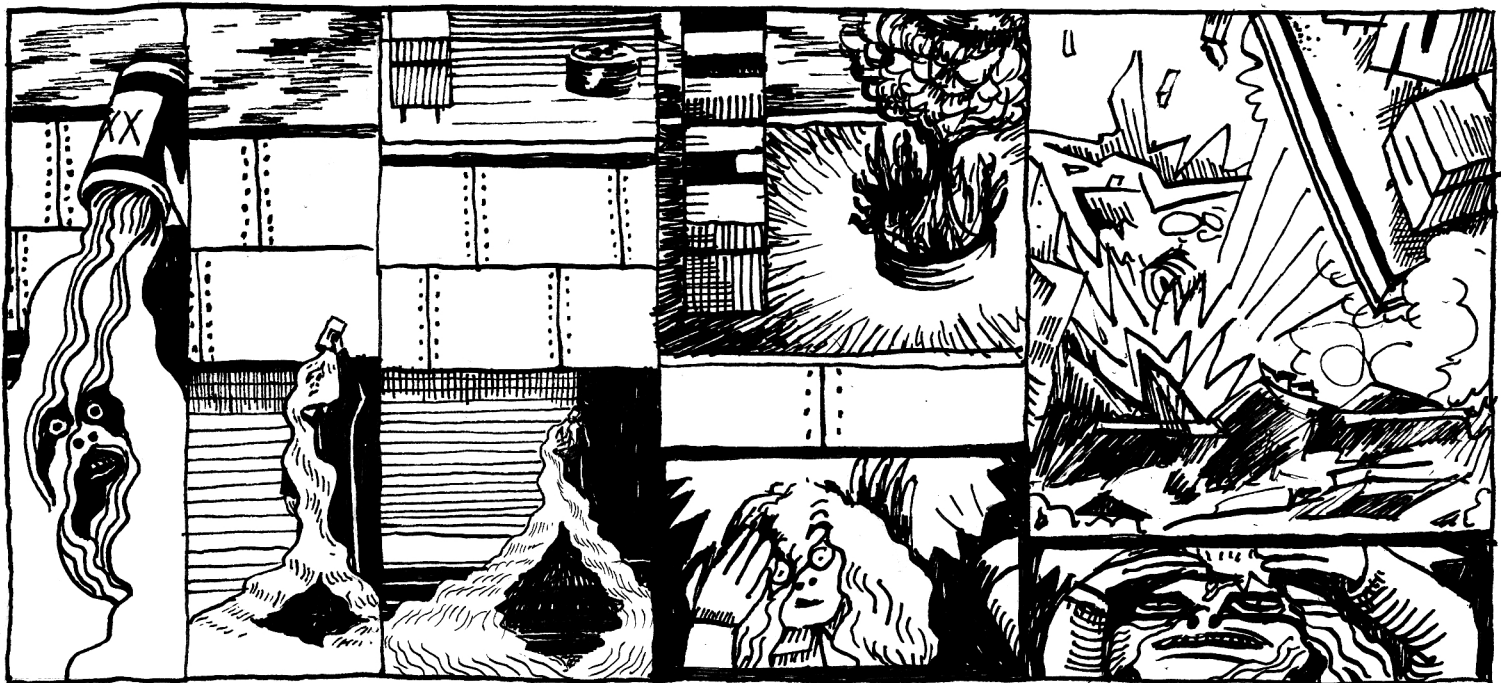

CLEAN THE FLOOR WITH YOUR FILTHY LITTLE TONGUE SLIMY LITTLE COMMUNIST SHIT TWINKLE TOED COCK-SUCKER!

WHATEVER. I'M GONNA FULL METAL JACKET.

SO I LEAVE MY POST AT THE SLOP AND GO GET MY SLOP ON.

so im outside sloppin' it right? And... and... stalin's... it like blows up behind me right?

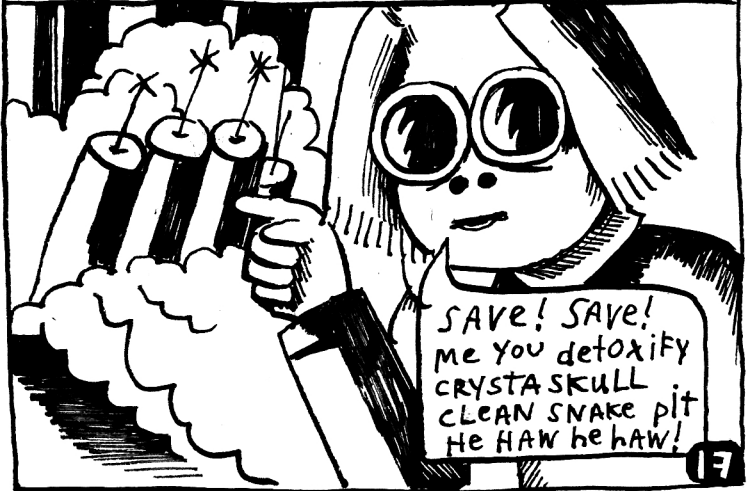

And I'm wondering if I left all those explosives I brought with me to blow the place up next to the fire under the slop-u-lator. My boss is always whining that I shouldn't leave my bag there,

And I mean, that shit does burn hot as hell... and I did want to blow the place up...

But Not before I could be the diarrhea Jones, And Not before... Not before...

But NOW, MY MOTHER,
the same mother who WANTS
to rip my ass off, has
been blown sky high.
Along with ALL the
other yuppie fluppies.

The Bombero Bots...

... AND MY FATHER, JIRD.

He's riding at the Helm,
the captain of the Bots,

Hi, I moved from Australia to vancouver in sept and have been clean since I got here. However I've become unwell and been referred to a throat specialist immediately to see if I have a cancer.

This has really made me anxious and close to a relapse. If I do relapse I'm worried ill be using tainted drugs from people I have never known.
- brandon bond

I fear I may die from bad drugs. I don't know how to purchase safe cocaine from the dark web. I have the funds to purchase it but I don't know how to go about it. Can you please help me find a safe supplier???

Thanks murray guindon

I'm a I.V drug user and gamble with my, life every time I inject drugs cause I dont know what is in them. Can you send me some cocaine and crystal meth.
-Raul Caulderon

I'm sure you are very busy I hope if you read this thank you. I live in California America. I am 26 years old and a female I currently just smoke weed but I was sober for a while back then on and off in the day when I was 20 to 22 I did meth daily. My step dad introduced me to it for the first time I know that's bad but it was once. Back to when I got hooked for two years straight...well it is a drug that is all over where my area in California is. When I would smoke meth I was always scared it was laced with something else more harmful. Recently I d feel like relapsing because of personal issues. But I completely dig and understand how your organization is helpful hopefully I can travel over there and meet with you all. Thank you for hearing my brief story on my views on meth thank you for testing your product and making sure it's safer. I would love to research more about you guys.

Hi I'm wondering if I can buy some cocaine here and heroin or if you can show me how to get it online
