People that are the buff will have to provide the business with a natural heart therefore have had to turn to the pond posse to who the heart system is congested with toxic negative ions.

Please for the decency of safeway look at the supply, protect the resources, and think about become cocaine addition. It is free if you still care about hope, please.

I AM absorbed in a pit of blackness

and while in this *fresh*

PLOTTING THEIR LITTLE PLANS

PLANS MADE WITH LITTLE HANDS

LITTLE HANDS THAT MOLEST

AND THE GREAT THINGS OF THE EARTH

Awake.

In the hospital.

Next to MY mother-Boss,

But not entirely next to.

Seemingly connected.
